Per MGL Chapter 111, Section 31 and Medford BOH Regulation 10 – Permits may be suspended, revoked, or modified by the Board of Health, its agents, or employees for the failure of the contractor, owner, tenant, occupant or agent to comply with the conditions and requirements of these regulations. Notice will be served in writing, sent by certified mail to the last known address of the alleged violator. Upon three days of the written notice, a written request may be submitted to request a hearing before the Board. In the event the Board of Health, its agents or employees deem that the health, safety or welfare of the occupants or residents of the City of Medford is jeopardized and that an emergency exists, it may order all well construction terminated, pending a BOH hearing.
