

METRO NORTH LAND USE PRIORITY PLAN

The Metro North Land Use Priority Plan seeks to identify appropriate locations for additional housing and job growth, as well as open space opportunities in East Boston, Charlestown, Chelsea, Everett, Malden, Medford, Melrose, Revere, Somerville and Winthrop. MAPC worked with each community's staff to identify key locations that could meet these needs. Now we need your input to better understand the context of these locations, the opportunities they present, and the challenges that must be overcome to support new development, open spaces, and infrastructure needs.

Join the Executive Office of Housing and Economic Development, Executive Office of Energy and Environmental Affairs, and the Metropolitan Area Planning Council for a presentation and discussion about:

- Local and Regional Priority Preservation Areas and Development Areas
- Regionally Significant Infrastructure Improvements
- Innovative ways to preserve/create open space and recreation
- Challenges to Growth in these Communities

Date: Wednesday, April 30, 2014

Time: Open House begins at 6:30PM to view maps and talk to project staff
Meeting begins at 7:00 PM

Location: Malden Government Center, 200 Pleasant Street, 3rd Floor Council Chambers
