

METRO NORTH LAND USE PRIORITY PLAN

The Metro North Land Use Priority Plan seeks to identify appropriate locations for additional housing and job growth, as well as open space opportunities in East Boston, Charlestown, Chelsea, Everett, Malden, Medford, Melrose, Revere, Somerville and Winthrop. After working with each community's staff to identify key locations that could meet these needs, MAPC compiled a list of Regionally-Significant priority areas. Now, state agencies (including the Executive Offices of Housing and Economic Development, Energy and Environmental Affairs, and MassDOT) are in the process of determining which sites will make the list of state Priority Development Areas and Preservation Areas. State agency staff will announce the draft state priority areas and review the screening process at a public meeting on July 31st from 5-7PM

Join the Executive Office of Housing and Economic Development, Executive Office of Energy and Environmental Affairs, MassDOT, and the Metropolitan Area Planning Council for a presentation and discussion about:

- Local, Regional and State Priority Preservation Areas and Development Areas
- Regionally Significant Infrastructure Improvements
- Innovative ways to preserve/create open space and recreation
- Challenges to Growth in these Communities

Date: Thursday, July 31, 2014

**Time: Open House begins at 5:00PM to view maps and talk to project staff
Meeting begins at 5:45 PM**

Location: Malden Government Center, 200 Pleasant Street, 3rd Floor Council Chambers

To RSVP, please contact Larry Field at (617) 788-3672 or laurence.field@state.ma.us
